...father?

Saya
is...

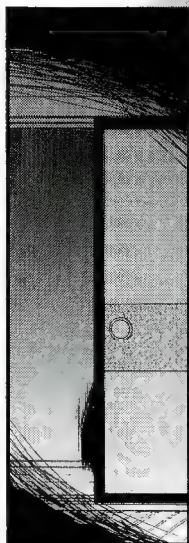

I can hear
father's
voice

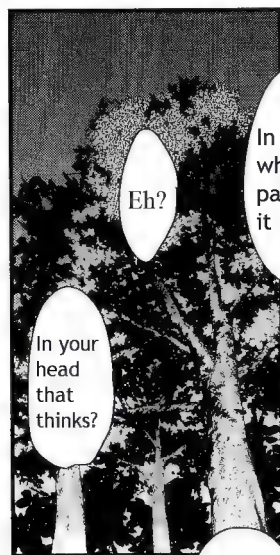

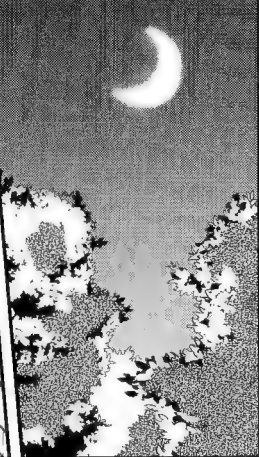

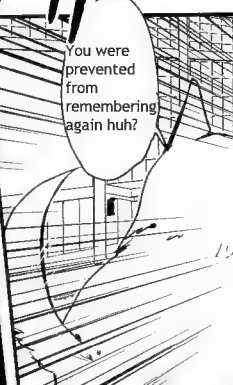

I am!...

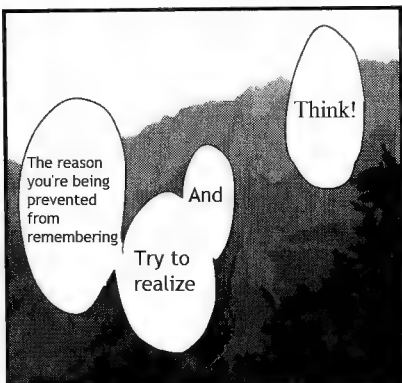

You were prevented from remembering again huh?

Ugh!

Saya!

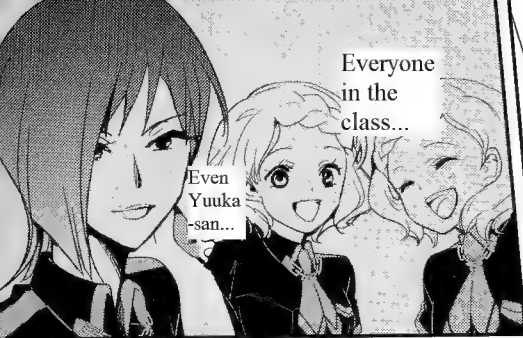

The reason you're being prevented from remembering

And

Try to realize

Think!

Everyone
in the
class...

Even
Yuuka
-san...

I couldn't
save
them...

Everyone...

Every
one?

?

On
that
day

*thu

Tokizane
-san

That notice
went to
everyone
right?

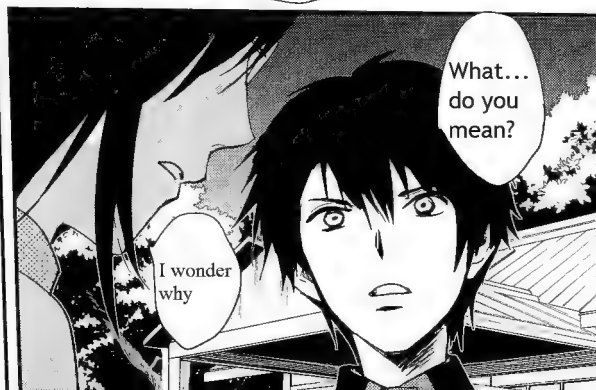

...

To
school
...?

Aah, I went
so I know
what
happened
to
everyone

Did you get a
notice that
there is school
on that day?

What...
do you
mean?

I wonder
why

Where
did
everyone
go?

Except from
our class
there was no
one present

As I ran
and ran

Except from
the people
from class B, I
didn't meet
anyone

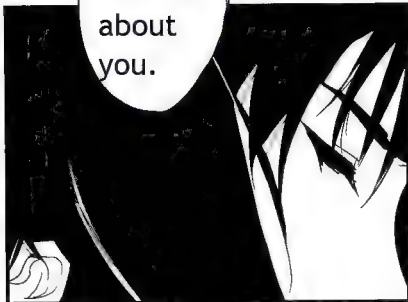

Out of
teachers too,
there was
only
Tsutsutori-
sensei

Tokiza
ne...
san

I'm
worried
about
you.

Why...
is that?

Because
I like you,
obviously!

Which part of me do you like?

That's why I...

Yeah, that's right

Like...

How long have I been together with Tokizane-san?

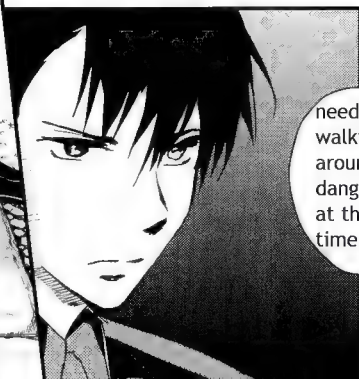

Which part..

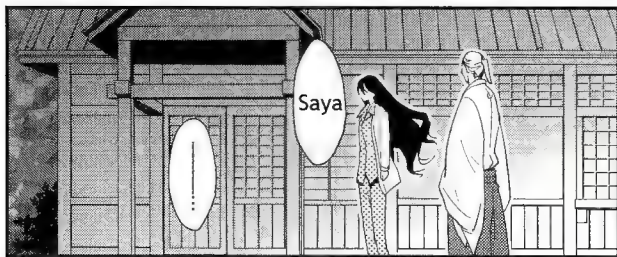

Since we're in the same class

I...

There are many parts for me to be drawn to

Despite
that I...

Yuuka-san,
school prez, and
I also talk with
Tokizane-san.

My
homeroom
teacher is
Tsutsutori-
sensei

Don't
even
know my
mother's
name!

I clearly
understand
all of this

But
despite
that...

"The
old
one"!

You
are...

It's the
same
for you
isn't it?

Ugh!

But

Not being
able to move
at my own
free will is an
annoying
thing

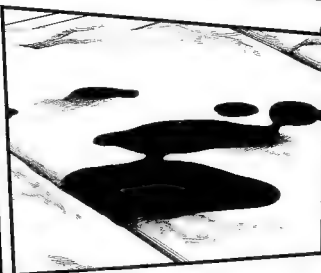

What?

...when
you're
hungry.

You only
become
free...

This
blood...
Whose is
it?

This blood is...

I will
protect
you.

Saya

You!

Aah

I'm so
hungry

Hmm?

Who did
you
eat?!

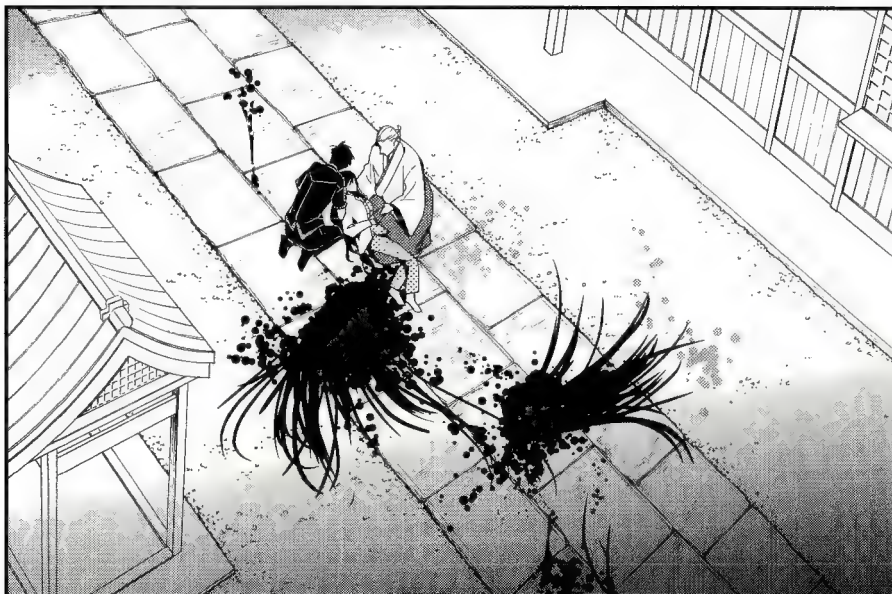

So are
you,
aren't
you?

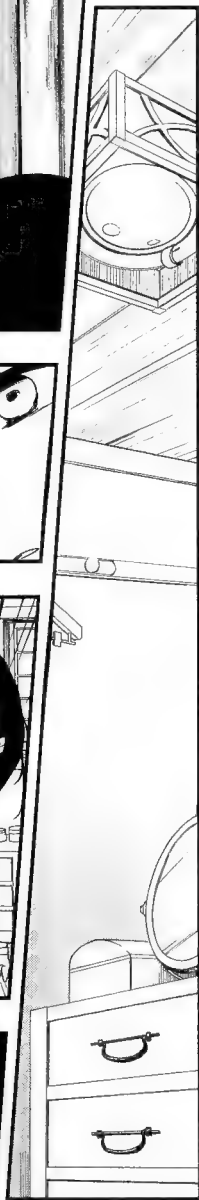

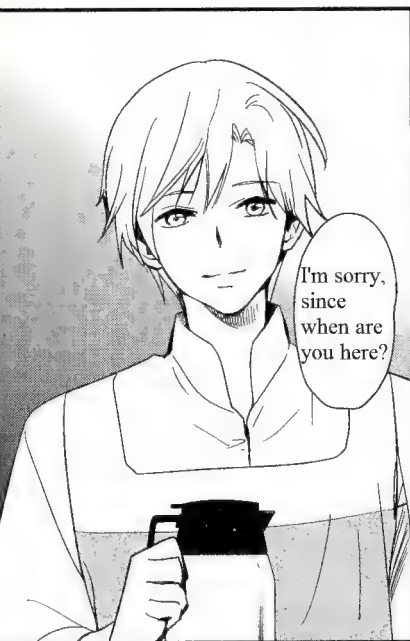

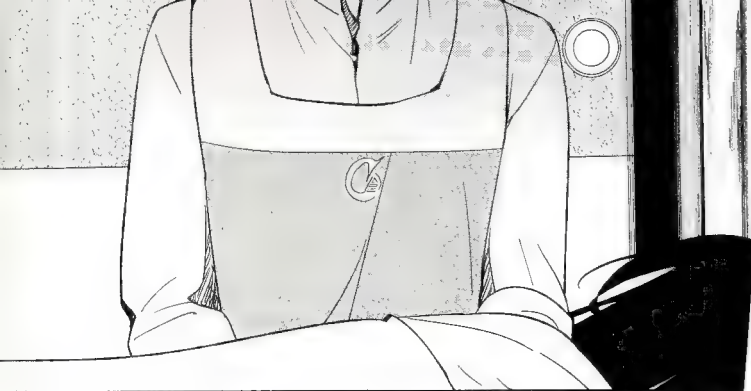

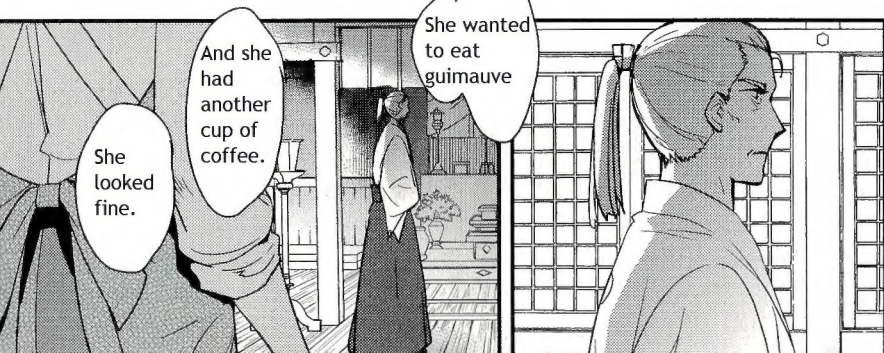

SAYA!

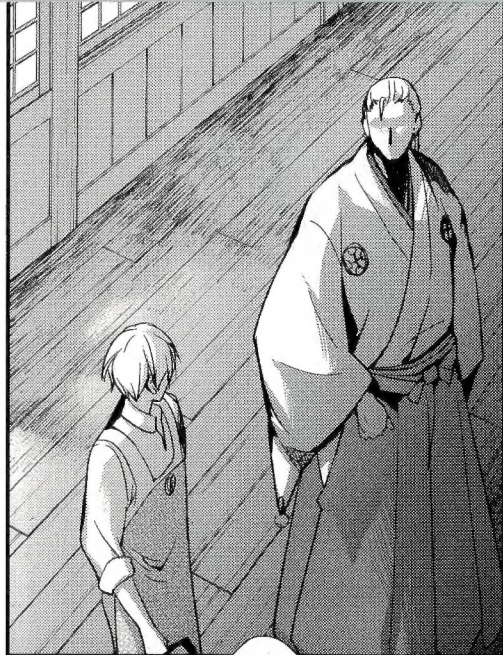

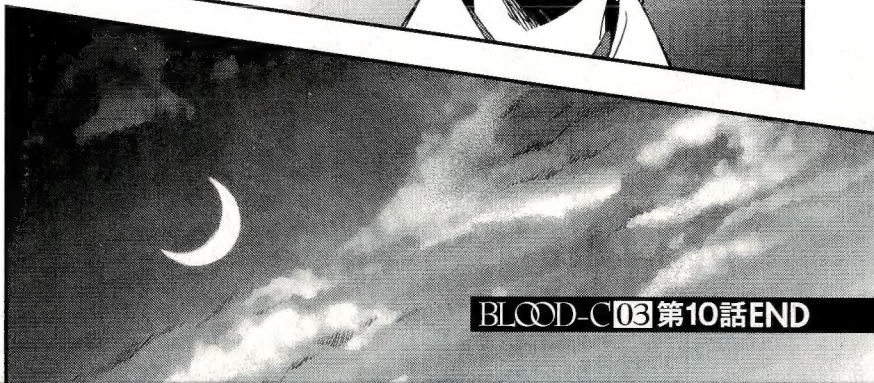

Then I'll be
going now.

Wait.

There's
something
I want to
talk about.
